Finishes Five rich finishes. High on style, long on durability. Available on select fronts.

Dimensions above are in inches. Reference dimensions only. We recommend measuring individual units at installation. Assumes the use of 1/2" Sheetrock. NOTE: Combustible material should not be installed over the face. Make sure you do NOT cover the decorative door opening.

Refer to installation manual for detailed specifications on installing this product. Heat & Glo reserves the right to update units periodically. The flame and ember appearance may vary based on the type of fuel burned and the venting configuration used. Pictures in this brochure are not a true representation of the fireplace and/or flames.

Limited Lifetime Warranty*

The strongest in the industry, Heat & Glo provides a lifetime warranty of the most important aspects: fiber logs, firebox and heat exchanger.

IntelliFire™

Our exclusive, state-of-the-art IntelliFire ignition system reduces gas consumption and thermogenerator wear by providing a pilot flame only when needed. Also supplies a back-up battery system to run the fireplace during a power outage.

* For full warranty details, go to www.heatnglo.com.
